Dear Ms. Chyn:

This responds to your April 11, 2018 letter requesting proofs of death for 117 individuals relating to the above-referenced FOIA request. Attached are three files containing screen prints including dates of death from the Medicare Common Working File (CWF) for 116 of the 117 individuals requested. The password for these files will be sent through a separate email. The dates of death from the CWF are findings or reports of death made by the U.S. Department of Health & Human Services as authorized or required in connection with its administration of the Medicare program.

Thank you for your attention to this matter.

Sincerely,

Mike McDougall
